

Astronomical Society of Eastern Missouri

Tuesday, July 6, 2010: Beginners meeting at the Interpretive Center 7:00 pm. Trip to Broemmelsiek Observatory if weather permits and class so desires.

Saturday, July 10, 2010: Regular meeting at the Interpretive Center. Pot luck supper starts at 6:00 pm. Assorted sandwiches. Bring side dish, salad, etc. to share. Program to start at 7:00 pm. Jim Roe will discuss concepts of space and time

Saturday July 17, 2010: Annual ASEM picnic 3:00 pm. Cluster #2, Broemmelsiek Park (same as last year). Brats, hamburgers, hot dogs, water melon provided, bring side dish or dessert. At dusk, we will go over to Astronomy Observing area for a Star Gazing event.

Tuesday July 20, 2010: Digital imaging of the Solar System Class (#1). See website for more info. **www.ASEMonline.org**

Sunday, July 25, 2010: 10th Anniversary of Quail Ridge Park opening at the Park, 1:00 -5:00 pm. ASEM will provide solar telescopes and information table.

Friday Nights at Broemmelsiek Observatory: We host public open house every Friday night, weather permitting. Individual leaders operate the telescope in the observatory but extra telescopes and sky lecturers are needed to help out. Check calendar on web site.
